Finishes: Our light fixture finishes are designed to be as lively and ever-changing as the Lowcountry landscape itself. Providing depth and characters to your custom design, our finishes reflect the unique beauty of the coastal landscape and produces a beautiful, natural patina as they age. Our nature-inspired finishes are truly a living art and not only protect your piece, but create a amore beautiful luster with time.

Description: The Keaton Chandelier blends mixed metals with a rustic yet refined aesthetic.

Each copper cylinder is handcrafted, featuring candelabra bulbs facing both up and down for a unique lighting effect.
